August 2011

Dear Friend:

As the time draws near for our Apple Pumpkin Festival on September 24, 2011, the Jay-Livermore-Livermore Falls Chamber of Commerce is asking the business community to help underwrite the costs of the event.

Last years' festival drew to this area over 2,800 people, who also patronized the business community. Your supporting contribution will be seen by thousands of people, and can include your name on the Chamber website, print advertising, signage, posters and banners. Your contribution is tax deductible.

Please join the JLLF Chamber of Commerce in making the 2011 Apple-Pumpkin Festival the best yet!

Thank you,
